

*Clue2: Key Wlrd is **Without***

Student's Hint: Find the without hyperlink word same as previous clue method

ASHA KANINI APPLICATION

Asha Kanini requires several third party software including Acrobat reader to view PDF, VLC player to play audio and video files, powerpoint viewer etc. Some of the contents that come with Asha Kanini are also installed as separate software include GCompris, PhET, TuxMath, etc.

If you are interested to use our application on other platforms, you are welcome to contact us.

After downloading the installer, follow the instruction given at the bottom of the page for installing Asha Kanini.

Windows Application

Download Now Requirements

Note that with the initial installation, you will start with a minimal version of the contents. As you use various contents for the first time, it will get downloaded. So over time all the content you use (which is downloadable) will be stored locally.
