

## Transferring files through Wi-Fi

Some of the examples are:

Apps Name	Apps Logo
Nearby Share	 The logo for Nearby Share, featuring a white stylized 'S' with a blue wave-like pattern inside a white circle, set against a dark grey square background with the text 'Nearby Share' below it.
Bluetooth	 The Bluetooth logo, a white stylized symbol resembling a combination of a runic letter 'Hagalfr' and a runic letter 'Bjarkan', set against a blue circular background.
Google files	 The Google Drive logo, a blue square with a white document icon and a colorful triangle (green, yellow, red) in the top-left corner.
Shareit	 The Shareit logo, a blue rounded square containing a white icon of three people connected by curved lines, representing a network or sharing.
Sharekaro	 The Sharekaro logo, a stylized icon consisting of three overlapping circles in blue, yellow, and red, arranged in a triangular pattern.
MXshare	 The MXshare logo, a blue circle containing a white right-pointing triangle, similar to a play button icon.
